Fall 2017 Transforming Your City Leadership Conference

Let me begin by telling you what Transforming Your City is NOT: It is not a program and it is not a formula. Transforming Your City is about us working together to develop a plan for our community...a plan that comes from our local leaders in Business, Government and Education. The inaugural Transforming Your City was blessed to have leaders from industry, government, community, church, healthcare and education join together in one accord on behalf of building the interdenominational church of Jesus Christ in Brevard County.

In addition to sessions from Leadership Coach Dr. Dave Robinson, the Fall 2017 conference spotlights outstanding area keynote speakers, including Sheriff Wayne Ivey, 3-term popular former Congressman Dr. Dave Weldon, Christian Care Medishare Founder Dr. John Reinhold, and Chesapeake Bible College & Seminary Dean of Academics, Dr. Ed Connatser. The conference also features panels consisting of Christian leaders from our community in the fields of Business, Government and Education. The panels will be moderated by Rob Medina, who serves as Director of Community and Military Relations at Congressman Bill Posey's office. All participants receive a Certificate of Completion for their participation in the Conference.
